Gentlemen:

Re: Carroll Massey

We have stopped the registration of Carroll Massey, a convicted felon and suggest that you place him on the confidential file.

He is known to police in the Town of Stoughton, Mass, and he has the reputation of being a child molester. He was convicted of Indecent Assault and Battery and Unnatural Act. He was sentenced out of the Stoughton District Court and served a two year sentence in Norfolk County prison from 10/7/74 to 10/6/76.

He came to our summer camp as an Assistant Scoutmaster with a troop. When we became aware of his background, we asked him to leave camp. He left immediately and we do not expect that he will attempt to register in Scouting locally.

His registration application provided the following information:

Carroll Massey  
122 Summer Street, Stoughton, MA  
Male  
DOB 2/2/30 New Leader

We have informed the Scout troop of our information and our refusal to register him.

Sincerely,

Michael Kiernan  
Scout Executive

Dear Mike:

Thank you for sending us the information concerning the above named individual back in early August. Late in August, we sent you a confidential record sheet which we asked to have completed so that we could identify Mr. Massey should he try to register somewhere else in Scouting.

Please send us this form as soon as possible so that we may complete our file and set up a case on this individual. We have enclosed another form should it be needed.

If you have any other information which you feel would help us and strengthen our file, please also include it. This will certainly make it much easier to refuse registration when neither of us may be in our present positions.

Sincerely,

Dear Mike:

Thank you for your letter of August 10 concerning the placement of the above named individual on our Confidential File. I agree that he should not be registered with the Boy Scouts of America, related to what you have indicated in your letter.

I am enclosing a Confidential Record Sheet which I would like to have prepared. Please complete this as well as you can so that we will be able to identify Mr. Massey should he try to register some place else in the country. The more information we have the better able we are to identify him as the same individual.

If there is any other information which you are able to secure please send it to us to strengthen our file also.
