Paul,

Enclosed is the report sheet on Robert A. Dunn. I have twice requested a police report but have yet to receive it. I am requesting again and will forward as soon as I receive it.

Also two information requests have been received and returned about a Lenord King. My question is, is this the right person, combining your requests and some crazy story we hear, I am more than interested to know. Please advise in either case.

Re: Robert A. Dunn

Dear Mr. Baker:

We are in receipt of a letter dated July 30, from Mr. Joseph Koshut, Field Director, concerning the case of Robert Dunn. Although Mr. Dunn informed him that he was found guilty and is moving back to Kentucky we still need more information. Please send us a detailed letter concerning the facts in this case and if possible a copy of the police or court record. Should this man be placed on the confidential file? Should he be allowed to serve as a volunteer? Please advise.

Enclosed is a confidential record sheet which we would appreciate your filling out and returning to us with the above requested material. This will help us to identify Mr. Dunn if we are advised to set up a confidential file on him.

Sincerely,

Paul I. Ernst, Executive

Dear Joe:

After careful consideration of my personal problem I've decided, effective July 15th, to sever my relations with the Boy Scouts of America. This means that I would like to be taken off the in transition list that I'm now on and use the remaining part of my last 30 days to complete my check out report as required by the national organization.

I'm leaving the Boy Scouts of America on my own free will to reenter the priesthood. I've enjoyed my relationships with you as my Field Director and with all of the people that I've met in the Calumet Council.

SUBJECT: Robert A. Dunn

Dear Mr. Baker:

We received a copy of the separation notice for Robert Dunn which indicated that he had been arrested on morals charge. We would like to have more information concerning this. Should this man be placed on the confidential file? Should he be barred from serving as a volunteer? If you could give us some definite facts on this case, I shall be most happy to follow through and make certain that he is not registered in other councils should you feel this to be in the best interest for the Boys Scouts of America. I shall look forward to hearing from you concerning this matter with any facts and substantiating information you may have.

Sincerely,

Paul I. Ernst, Executive
