## Man pleads guilty in child molesting case, gets 12-year sentence

A 39-year-old Bryan man pleaded guilty Thursday to charges that he molested a 9-year-old boy last December. In exchange, he was sentenced to 12 years in prison and fined \$4,000.

Alan Craig Dunlap, of 2305 Stauton Drive, pleaded guilty midway through his trial for indecency with a child. The plea agreement was reached with prosecutors following testimony from the victim, the victim's father and the defendant's stepson.

Prosecutor Rod Boyles said afterward that Dunlap, a outmaster and Sunday School teacher, had a history of sex offenses. Boyles said the maximum punishment for Dunlap would have been 20 years in the Texas Department of Corrections.

## Bryanite indicted on charge of Social Security deception

HOUSTON — A former Bryan resident has been indicted in federal court here on five counts of using Social Security numbers belonging to other people.

The indictment alleges that Boyd George Hall, now of Houston, used the invalid numbers to sign and identify himself on oil, gas and mineral leases. Each count carries a maximum punishment of five years in prison and a \$5,000 fine.

## Ex-Scouter Gets Hospital Term

Alan Craig Dunlap, 24, a former assistant Boy Scout leader who pleaded guilty to four counts of child molesting, has been committed to the Atascadero State Hospital by Superior Court Judge Denver C. Peckinpah.

The judge concluded from psychiatric findings Dunlap is a mentally disordered sex offender.

He advised Dunlap he has 15 days in which to request a jury trial in the matter of

the psychiatric findings or he will be confined in the state hospital for an indeterminate period of time.

Should Atascadero hospital doctors conclude Dunlap is unamenable to treatment, he would be returned to court and ordered committed to the Vacaville State Hospital. Dunlap was told he would then have a right to petition once a year for a different finding based on treatment and observation by psychiatrists.

Attention: Mr. Jack Perez

Dear Mr. Perez:

My son [REDACTED] has been involved with the scout program thru Powers School for several years and in the past two years in the Webelos program, of which Alan Dunlap unfortunately was in charge. My son went through some very traumatic experiences as a result of being associated with Mr. Dunlap, while under his care, custody and control.

It is my understanding that your office was investigating the situation regarding this man. I feel that your office was extremely imprudent to allow him to continue as a scout leader, under those circumstances, and allow him to have anything to do with the boys.

I have incurred medical expenses as a result of this problem and expect to incur future medical and psychiatric bills with regard to my son's traumatic upset. I will look to your insurance carrier for payment of medical bills and what ever damages are ascertained at a later date.

Sincerely,  
[REDACTED]

Mrs. [REDACTED]

Dear Mrs. [REDACTED]

I also deplore the conduct of Mr. Allen Dunlap with regards to his association with the youngsters in the Scout Troop and the Cub Pack at the Mawona Junior High.

Despite the newspaper's story we were apprised of this deplorable conduct on December 29, 1972, by Mrs. [REDACTED]

We promptly contacted the Police in Fresno, and on January the 2nd, Detective Arnett talked with us, we provided him with names of all the boys in the Pack, and in the Troop. He indicated that he and other officers would be in contact with each of the parents, at least those were his plans at the time we talked to him, on January the 2nd.

Meantime, naturally the various parents of boys who were molested contacted the Police Department and the District Attorney's office and the man was arrested several times, and to our dismay was released with no bail by various Judges. On January the 2nd, I spoke with Mr. Fortner, member of the Troop Committee, and he indicated that the Unit was now aware of Mr. Dunlap's conduct and have taken steps to make sure he would not in any way be connected with the boys in that Unit anymore.

Mrs. [REDACTED] until conviction is actually secured, which it did on January 12, 1973, when Mr. Dunlap pleaded guilty, we were dealing only with hearsay, although it appeared to be quite reliable, by experience we have found that sometimes when the matter comes to court, the people refrain from testifying, and the case gets dismissed. Fortunately this did not take place on this occasion.

CONF004931

DYKES\_I\_004899

January 16, 1973

Thus, you will note, we first became aware of it on December 29, 1972, at 3:30 in the afternoon. Immediately after New Years holiday, I spoke with the Police on January the 2nd, talked to the Unit Committee on January the 2nd, and now have your letter of January the 15th, so our relationship with this unfortunate event has been of a very short duration. I am not aware why the newspaper phrased the story as to imply this was an investigation of a long period of time. What was told to the newspaper was that the boys indicated this man had been doing these things to the boys for a long period of time. But we were only made aware of it barely 2½ weeks ago.

I am sorry we did not know about it sooner. I knew the parents, according to [redacted] only became acquainted with it just a day or two prior to her call to us.

If there is anything further I can do to help you, please feel free to call on me.

Very truly yours,

Jack H. Perz

Mr Wm. Daley, District Att.  
Fresno County, Fresno Calif.

Dear Mr Daley :

Our family is much concerned for the safety of three children,  
[redacted] age 13, [redacted] age 10 and [redacted] Age 8.  
My grandchildren, living at [redacted], Fresno.

Mr Alan Dunlap, 85 E. Fountain way, Fresno, was arrested and put in  
jail on December 17 and was released shortly after without posting  
bail, we were told. He was arrested for the worse kind of  
sex deviation acts with our grandchildren and one of their friends,  
it was not just a one time act with these children, but done many  
times over a long period of time with well planned ways of holding  
the silence of these children. This silence was broken by one  
last time of it done to the youngest of these children, [redacted] <sup>conv 12/16/72</sup>  
when the boys then decided for themselves that it had to be stopped  
and they told the story. The Sherriffs office was contacted and  
a Mr G. Hill was sent out to make the investigation.

Mr Hill spent several hours getting all of the information from these  
three children and one other of their friends who was involved.  
These boys gave Mr Hill the names of other boys whom they knew that  
had also been used by Mr Alan Dunlap in this act. Mr Hill was also  
told that Alan Dunlap was a Boy Scout leader and had worked with the  
the Boy Scouts and the Cub Scouts in the north end of Fresno over the  
past four years and that it was through his Scout work that his contacts  
and friendships had been made which was his contact with these boys.

After taking the statements of these children Mr Hill said that he  
would be contacting the parents of the other boys whose names had  
been given to him and also that he would be contacting the head of  
the Boy Scouts here to trace damages that possibly might have been  
done to other boys in this.

After learning that Mr Dunlap had been let out of jail, we were  
concerned for the safety of the children and were at a loss to  
understand the lack of consideration for the safety of the children  
shown by letting this man out of jail. I called Mr Jack Pera,  
local Boy Scout Executive Council. Mr Pera had never been contacted  
and knew nothing of the case. This, almost two weeks after the arrest  
of this man. The mother of these children my daughter, Mrs Binko [redacted]  
called the mother of one of the boys our children had named to Mr Hill.  
She had never been contacted. This, almost two weeks after this man  
was arrested. I called Mr Hill to ask for some explanation and he said  
that if we knew any of those people that we could call them and let  
them know about it. In this investigation up to us & Hill there  
be people else that might have been involved in it if we had only  
we can learn who they were and let them know about it.

CONF004933

DYKES\_I\_004901

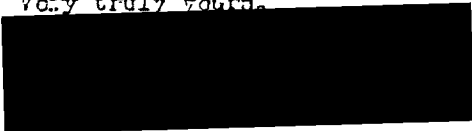

On the night of December 17, after the man had been jailed, Mr Hill called to tell my daughter that he was jailed and stated that Alan Dunlap had been cooperative in the arrest and had admitted to all of the charges made and had admitted the ~~in~~ act with the other boys whose names had been given to Mr Hill. With this, no further investigation is indeed strange.

We have learned ~~now~~ that one other parent has filed new charges and waited, to be sure that Mr Dunlap would be arrested and placed in jail again. Should people have to attempt to arrange matters this way for some protection? We also have been told that another parent plans to file charges in Madera County now just in case this thing is treated lightly in Fresno county for Mr Dunlap. We are told that their son was abused in a Scout Camp on the property of a Madera rancher in Madera County.

With all of these facts and my conversation with Mr Hill by telephone last Saturday, it leaves us with the feeling that someone, some place has attempted to hold this thing down for Mr Dunlap and to try to protect him from further charges against him and to cover it up. It is an almost incredible story, how this man operated and the number of boys that he has abused and used. It is equally incredible how it has been treated by the law enforcement department. Few crimes, that reach the stage of being arrested for, escape mention in the newspapers. No mention of this arrest was made. Why?

It would be so much appreciated now if you could give some time to this case and to see that it is carried out to justice and to the protection of the children this man has harmed. It would be appreciated if you could see that a full investigation is made over the full period of time that Mr Dunlap was working with the Boy Scouts. The case is far reaching and the full damages done by this man can, I am sure, never be known. Your attention to this case will be appreciated.

Very truly yours,
