STATEMENT OF [REDACTED]

ON TUESDAY, AUGUST 2, 1966, MR. COLLIER AND MYSELF WENT TO THE RIFLE RANGE TO WORK ON A MARKSMANSHIP MERIT BADGE AFTER FIRING A FEW ROUNDS, MR. COLLIER SAID THAT I WAS TOO TENSE AND NEEDED TO RELAX. HE TOLD ME TO ROLL OVER (I WAS IN A PRONE POSITION). WHEN I ROLLED OVER, HE HAD HIS ARM UNDERNEATH ME. HE SAID HE WAS GOING TO RELAX ME AND HE UNBUTTONED MY PANTS. HE PLACED HIS HAND UNDERNEATH MY UNDERWEAR AND PLAYED WITH MY PENIS. I WAS TOO SCARED TO DO ANYTHING. THIS LASTED ABOUT 5 MINUTES. THEN HE TOLD ME TO PUT MY LEGS TOGETHER AND HE LAYED ON TOP OF ME FOR AWHILE. THEN HE ROLLED OFF OF ME AND TOLD ME TO RESUME SHOOTING. AFTER SHOOTING AWHILE, HE DID THE SAME THING AGAIN.

WHEN I GOT BACK TO CAMP I REPORTED SOME OF WHAT

Re: Robert E. Collier

Eye Witness Statement by John M. Swanson, Camp Director

On Wednesday, August 3, 1966, Mr. [REDACTED] Scoutmaster of Troop 186, Hoot Owl campsite, reported that Scout [REDACTED] 13 yrs, had reported that Mr. Collier, our Rifle Range Instructor was acting "strange" to the boy when alone, and was "playing with the boy's privates."

I expressed disbelief, but asked that the boy, [REDACTED], talk with me privately.

Thursday evening, August 4th, after evening campfire, I talked to [REDACTED]. He claimed Mr. Collier was "playing" with him when alone on the Rifle Range. We agreed that [REDACTED] was to keep a Merit Badge appointment with Mr. Collier on Friday, and I would watch hidden in the woods nearby.

At 1:30 PM Friday, August 5, I took up position in the woods near the range, and while hidden from their view, I had full view of the range shooting area. Mr. Collier was laying on a shooting mat seemingly asleep. [REDACTED] reported to the range about 1:35 PM and awoke Mr. Collier. They talked awhile, then [REDACTED] picked up a rifle and began shooting on the range.

After shooting 10 minutes or so, Mr. Collier had [REDACTED] lay on his back and Mr. Collier began to rub [REDACTED]'s lower stomach and legs. He then began to rub the boy's privates. At this point I interrupted by entering the range area.

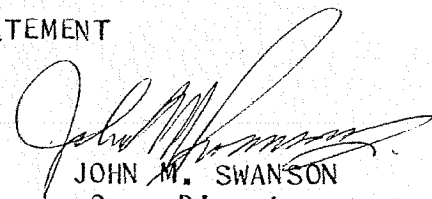

We talked briefly about the range program and unrelated things, and I left saying I was going to visit a nearby campsite. I left the range and walked out of sight, then returned to hiding in view of the range shooting area again.

Observing again, [REDACTED] fired awhile on the range, and then again laid back. Mr. Collier tried to unbutton the boy's shorts. Being unsuccessful, Collier then ran his right hand under the boy's belt, and holding his privates began to masturbate the boy.

At this point I again interrupted by returning to the range. I remain with the boy and Mr. Collier until they had finished firing. I then walked the trail back to main camp with them.

I did not at this time disclose my knowledge or findings to them.

To discharge Mr. Collier from employment quietly, and b. to request National Council BSA to "flag" the man from future Scouting membership. I further informed Dr. [REDACTED] of the right to prosecute under the law, and requested that he do so.
Dr. [REDACTED] concluded that he did not wish to prosecute, but would cooperate with us in any way needed to prevent Mr. Collier from being in such a position with boys again. Meeting closed with agreement to quietly release Mr. Collier, and keep our knowledge private. Dr. [REDACTED] remained in camp with his son's unit overnight.

1. 8:45 AM - Met with Mr. Collier & Mr. Troupe in Ranger's home. Informed Mr. Collier:
 - a. He was discharged from camp
 - b. He was to pack his gear this morning and Mr. Yerrick would provide transportation at 1:30 PM to Owosso.
 - c. That Dr. [REDACTED] was not going to prosecute him
 - d. That information known would be forwarded to the National Council BSA.

(Note: We did not actually state what information we were referring to nor did we actually state WHY he was being discharged.)

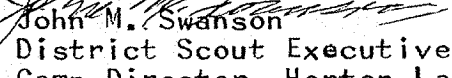

Mr. Collier expressed no surprise, moreover immediately broke down without any accusations being expressed. He stated he was sorry and asked forgiveness. He stated: "He thought he had it licked - You don't know how hard I've tried - I just can't help myself."

Collier then expressed his thanks that Dr. [REDACTED] did not wish to prosecute. In tears he asked what he should do. I told him he should quietly leave camp, say nothing to the staff, and make arrangements for medical assistance.

He responded that he would. I told him I would help him if I could. He expressed agreement, but then stated he was going to "take-off". Our meeting then ended.

2. Mr. Collier returned to his tent, packed his gear, and remained in his tent without lunch. (one check found him sleeping.)
3. Mr. Yerrick camp to camp, and at 1:30 PM, we loaded Mr. Collier's gear aboard the stationwagon and he left camp.
4. On Sunday, upon the return of the Camp Staff, I informed the Staff that Mr. Collier had left. No explanation was given, except: Think not you are an indispensable guy, for in graveyards many indispensables lie.

Sincerely,

John M. Swanson
District Scout Executive
Camp Director, Horton Lake Ca

PS: Upon returning home (Owosso, Mich.) I have found out: (Hearsay - Mr. Collier had this type problem four or 5 years ago with a local high school student. He has sold all his personal belongings, purchased an auto, (57 green Ford) and has left for Detroit, Michigan.

Att. Mr. Howard Boyd

Dear Howard:

This past week end was the occasion for discovering that a member of our council, registered as a Camp staff member, was guilty of contributing to the delinquency of a camper. We have followed the customary procedure of securing statements from all persons concerned and as soon as these have been prepared we will send them to your office along with any other material you may need on this matter. As usual in such situations the parents of the scout refused to prosecute although we had clear and unquestioned evidence on the party involved.

This advance notice pending the material involved above will serve to indicate that Mr. Robert Collier, 701 Isham St. Owosso, Michigan, registered through Feb. 1967 as a member of the Shiawassee District Committee has been separated from the council and is no longer on its camp staff. I believe he had applied and been accepted for the professional Pre-View Program in December, 1965, and this department should be notified also of this matter.

If you have the appropriate forms for indicating that this man is to be placed on the confidential file list, I'll appreciate your sending them to us.

Very truly yours,
