PERSONAL AND CONFIDENTIAL  
Re: Donald A. Dansker  
Scoutmaster, Troop 341

Dear Mr. Hart:

Thank you for your letter of February 2 concerning Donald Dansker, Scoutmaster of Troop 341. We have placed this information in our file and have taken steps to have his name deleted from the Troop roster.

We would very much appreciate knowing the details regarding this situation and what actions by Mr. Dansker led to his removal from the Big Brother Organization. Please write us a letter and also include as much substantiating material as you can obtain. This is most important for future reference and it would certainly strengthen our position of refusing to accept any future application for registration we might receive from this individual.

Enclosed is a confidential record sheet which we will also appreciate your filling out and returning to us, together with the above requested information. This will then enable us to identify Mr. Dansker should he ever again attempt to register in the Scouting program.

I am sure you realize that this leaves Troop 341 without any registered unit leader. Undoubtedly, someone is taking over in this position. In order for the unit to continue to receive program inserts in Scouting Magazine, it will be necessary to advise this office of the name of the new unit leader. This should be done by filing with us an additional enrollment for this individual in his new position. Please do not file a separation notice as we have already dropped the current leader.

Sincerely,

Karl L. Krall, Director
