PERSONAL AND CONFIDENTIAL

Dear Kirk:

We would sure appreciate if you would please take careful note of the attached carbon. I bring this to your attention because we have written Byrns several times and have had nothing from him. In addition to this, this is the second time we have had difficulty with Byrns in getting confidential information.

We had a case several months ago about a man named Tracy Whan who they claimed murdered someone and we had to keep after and after them and finally we had to write Ken Oliver to get us the factual information we needed. We finally did get material that was acceptable. Now, again, we are having difficulty with Byrns over exactly the same kind of situation.

We would appreciate your help, not only in seeing that we get the information but, maybe, because of your experience in having to place people on the File and your knowledge of what is needed and how important it is, you can impress upon Byrns some of these same attributes. Many thanks for your good help.

Sincerely yours,

Dear Chub:

We wrote you originally on October 24, 1967, followed up on November 27 and sent still another follow up on December 29. We still have not received from you the additional information and confidential record sheet on Julip H. Silva. Won't you please send us this information.

If you are unable to do this, we have no justification for keeping Mr. Silva on the Confidential File. Without further information and identification particulars we would be unable to pick him up should he attempt to register at some future date.

Attention: R. S. Adams, Assistant Scout Executive

Dear Chub:

Thank you for your October 17 letter and the information you enclosed concerning Julio H. Silva, currently registered as Assistant Scoutmaster of Troop 874. We have placed this information in our files and have taken steps to have his name deleted from the Troop roster.

As you know, in cases of this nature it is most important that we have as much supporting material as possible in our files so as to strengthen our position in refusing to accept any future application for registration from the individual. We would, therefore, very much appreciate your trying to obtain for us, if possible, a statement from the boys involved or the parents of the boys, or any other substantiating documents that may be available regarding this situation.

Enclosed is a confidential record sheet which we would also appreciate your filling out and returning to us as soon as possible, together with the above requested material. This additional information will enable us to identify this individual should he ever again attempt to register in the Scouting program.

Dear Mr. Dunaway:

I have notified Mr. Julio H. Silva that his services have been terminated as assistant scoutmaster, Troop 874, effective October 7, 1967.

The reason for this action is that charges of immoral conduct by Mr. Silva have been made by fathers of two Scouts in Troop 874.

Sincerely,

Order 23749

THE STATE OF TEXAS:  
COUNTY OF FORT BEND:

Before me, the undersigned authority, a Notary Public in and for said State and County, on this day personally

appeared \_\_\_\_\_ to me well known, and known to me to be a credible person, who after being by me first sworn, on oath deposes and says as follows; to wit: My Mother's name is \_\_\_\_\_. My Step-Father's name is \_\_\_\_\_. I live with my Mother and step-father at 15506 Corsair Street in Mayfair Park, Fort Bend County Texas. My Father's name is \_\_\_\_\_ and his is in Austin, Texas at this time. I think that is my fathers first name. I was born September 18, 1955. I was born at St. Josephs Hospital in Houston, Texas.

I have lived with my Mother and Step-Father at the above address for about 3 years. I have been a boy scout for about six months. I think that my troop no. is 874 in Mayfair Park. I haven't passed my Ltenderfoot test as of now though. My Scoutmaster's name is Mr. Knak and my ass't. scout master's name is Mr. Henry Silva and Mr. Silva lives in Mayfair park too.

I don't remember the exact day or month but I think that it was in July 1967 that I was over at Mr. Silva's house one day and no one was at home there but Mr. Silva and Mr. Silva was helping me with my scout work and he told me to come into the bedroom with him so he could show me some of his merit badges and after we got into the bedroom Mr. Silva un-zipped my pants and started playing with my peter. I am not for sure whether he played with his own peter this time or not. He didn't put his mouth on my peter this time.

I don't know the days or months but since the first time that he played with my peter he has had me over at his house and about three different times he would put his mouth down on my peter and suck on it. While he would be sucking on my peter we would be in the bedroom at his house all except one time and that was in his car and he was taking me home and he drove up behind the salt mine and stopped the car and he told me to get in the back seat with him and he sucked on my peter. One time when I was over at his house he took me into his bathroom and he pulled my pants down and he told me to bend over and he took his peter and stuck it in my but hole. It hurt me and after he got through some white stuff run down out of my but. The two more times he stuck his peter in my but while we were in his bedroom.

Last Wednesday, October 4, 1967, I called Mr. Silva that afternoon and told him that I had found some kittens and told him that he could come over to my house and look at them and see if he wanted any of them. He told me that he couldn't bring any cats home because his wife couldn't be around them for some reason and that he would come over to my house though and look at them. My three sisters and one brother was at home with me. Mr. Silva and myself went and looked at the kittens and then we went in the house. He told my sisters to go and look for my scout books and they did. This left Mr. Silva and myself alone in the bedroom. Mr. Silva then closed the bedroom door and he un-zipped my pants and took my peter out and started playing with it. Mr. Silva then un-zipped his own pants and started playing with his own peter and he then took my hand and made me play with his peter. He then got down on his knees and started sucking my peter. By this I mean that he put my peter in his mouth. While he was sucking my peter he was jacking off himself. One time while he was playing with my peter my nine year old sister started into the bedroom and Mr. Silva held the door and acted like he was playing with her by holding the door and I zipped my pants up before she got in the room and before he let her in the room he set down on the bed and crossed his legs so my sister couldn't see that his pants were un-zipped and that his peter was sticking out. He then told her to go out in the garage and look for my scout books and she did so he closed the door and got down on his knees and started sucking my peter again. This all happened in Fort Bend County Texas.

I know the difference between right and wrong and the difference between the truth and a lie, and the above statement is true and correct to the best of my knowledge and belief.

Witness my hand this the \_\_\_\_\_ 6th day of October \_\_\_\_\_ A. D. 19 67

THE STATE OF TEXAS:  
COUNTY OF FORT BEND:

Before me, the undersigned authority, a Notary Public in and for said State and County, on this day personally

appeared \_\_\_\_\_ to me well known,

and known to me to be a credible person, who after being by me first sworn, on oath deposes and says as

follows; to wit: I was born March 14, 1955 in Tulsa, Oklahoma. My Father's name is \_\_\_\_\_ and my Mother's name is \_\_\_\_\_. We live at 5414 Melonite Street in Mayfair Park, Fort Bend County Texas. We have lived at this address for about five years. I am in the sixth grade in school. I have been a boy scout for about a year. I don't know for sure but I think that I have been knowing Mr. Silva for about 4 or 5 months. He is the Asst. Scout Master at the troop that I belong to.

I don't know exactly the month but I know it was this year and during the summer when Mr. Silva took us on a camp out at Camp Strake, which is a boy scout camp grounds. We all slept in tents. When we all went to bed one night, I was sleeping in a tent with two other boys and we were talking and one of the boys hollered and Mr. Silva heard us and he thought it was me so he called me and made me come into his tent and sleep. There was two other boys sleeping in the tent with Mr. Silva and myself but Mr. Silva was sleeping next to me on the ground. We were sleeping on part of the tent I think or it was some kind of canvass on the ground. We all had just our shorts on. I was asleep and I woke up cause Mr. Silva was playing with my peter and he was trying to get my shorts down, and he was rubbing his peter up against my but and legs. He took my hand and put it over on his peter and tried to make me play with him but I wouldn't. I caught hold of my shorts and wouldn't let him pull them down. He reached over and kissed me on the cheek. He rubbed his peter up and down against me for quite a while. After a while Mr. Silva quit fooling with me and I guess he went to sleep but I didn't, I stayed awake the rest of the night so Mr. Silva couldn't fool with me anymore. The next day I told Mr. Silva that he was trying to do something to me the night before and he told me that he wasn't and that I couldn't see him trying to do it to me because I couldn't see in the dark. I told him that I didn't see him but I could feel him but he said he didn't do it.

This is the only time that Mr. Silva ever tried to play with me.

I know the difference between right and wrong and the difference between the truth and a lie, and the above statement is true and correct to the best of my knowledge and belief.

Witness my hand this the 7th day of October, A. D. 19 67.
