Dear Mr. Bains:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that Boy Scouts of America membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the Boy Scouts of America seeks to provide for American youth.

If you wish to have this decision reviewed by a Boy Scouts of America regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a Boy Scouts of America member should be reinstated. The procedures for a review of this decision are attached.

Sincerely,

Richard Ruffino

Dear Howard:

It seems as though this is going to be a banner year for us--in an area which does not make us too happy.

I wish to submit the following facts re Edward Bains. A facsimile of the confidential record sheet is enclosed as well as a copy of the letter from the Children's Aid Society.

Report of DSE Morrill W. Lucas dated December 23:

"The Assistant Director of the sponsor (Frederick Douglass Center) asked me to meet with them on a problem with their Scoutmaster.

"Complaints have arisen as follows:

- "1. Money had been given to Mr. Bains, which did not get paid to purpose intended. In one case, a weekend camp reservation.
- "2. A committeeman charged Mr. Bains with contributing to the delinquency of [REDACTED]. He also said that boys in the Troop knew Scoutmaster was a homosexual. He claims Mr. Bains had been picked up by police on more than one occasion.
- "3. I called a Lt. Quinn of Youth Investigation Bureau for further information on such. About a week later he called and said that they were not allowed to give out records on specific information. However, there are such charges against such a name and address.

"It was Lt. Quinn's recommendation that we remove this man and if he denied such, to ask him to go to the Bureau of Identification and get a certification that there are no charges against him. Lt. Quinn said, "which the man cannot get."

"The Troop Committee requested Mr. Bains to discontinue serving as Scoutmaster and to hand over his card, which he accepted and did.

"See letter from Mr. Wilfred J. LeBlanc, Jr., attached."

DYKES_I_011161

Report of Wilfred J. LeBlanc, Jr., DSE

"Edward Bains registered with Troop 306 of Grand St. Boys Association from 1961-63 as Assistant Scoutmaster.

"Two incidents in camp:

"Winter of 1962 at a Winteree at Camp Sanita Hills. Scoutmaster [REDACTED] was told by his Senior Patrol Leader that he (the SPL) walked into a cabin which he thought was vacant and saw Edward Baines in a bunk with one of the older Scouts in the Troop. In the words of the SPL--"he thought he saw them embracing.

"This incident was never officially reported because the SPL--when later questioned by the Troop Committee--refused to say for sure that that was really what he saw. But the Scoutmaster, [REDACTED] was sure that this is what he saw because the incident was reported to him in confidence shortly after it allegedly happened.

"The Scoutmaster related the whole matter to me and my recommendation was that it should be reported to the Troop Committee and that the necessary steps be taken to remove him from the BSA with proper testimony.

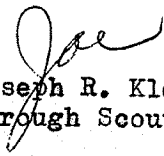

"It was at that point (the confrontation with the Troop Committee) that the boy witness became unsure. The whole matter was then dropped for lack of substantial proof.

"A second incident took place at Camp Kauffman at a camporee in 1963 when a Boy Scout of Troop 345 was reported missing by the SPL of his Troop early one morning. The Scout turned up asleep in Edward Baines' tent, having spent the night there. They went to Baines' tent from the district campfire. The Scout had none of his own bedclothes or blankets and did not clear permission from our leaders

"When questioned by his Scoutmaster, [REDACTED], the Scout denied that any immoral behavior took place or was attempted.

"It should be noted that this Scout was mature beyond most of the boys in his Troop and therefore, the likelihood of an admission to any incident is reduced. The Scoutmaster truly suspected that the Scout was not telling all. The matter was dropped for lack of any substantial proof."

Sincerely,

Joseph R. Klein
Borough Scout Executive

Dear Mr. Lucas:

Attention has been directed to some questionable incidents in the personal life of Edward Bains, Scoutmaster of Troop 585. Together with the Committee for the Troop, I have relieved him of his post and enclose his membership card herewith. Due to the fact we will not have leadership available for overnight camping, I am requesting a cancellation of reservations made for November 20-21-22 at Sanita Hills. A deposit of \$15.60 has been paid and I would appreciate it if this sum could be credited to our account.

Thanking you for your kindness.

Yours truly,
