Dear Howard:

Three or four years ago we had a rather difficult situa-
tion in our Council with one of our Scouters. At that time
we discussed the possibility of having him placed on our
confidential file. I am not sure whether we did or not
and therefore I am writing this letter.

Can you please tell me if we did place Mr. Ernest J. Macha
of Grain Valley, Missouri, on the confidential file list?

We would appreciate very much this information.

Most sincerely,

Dear Howard:

Will you please place on your confidential file list Mr. Ernest J. Macha of the Kansas City Area Council? Mr. Macha is 41 years of age, has been registered in the Kansas City Area Council for 3 years. Prior to this time I believe he has lived in the Oak Grove community in Missouri for his lifetime. He is a construction machine operator and is a member of the Methodist Church.

He was arrested in November of 1964 for contributing to the delinquency of a minor, primarily he was accused of forcing [redacted] into relationships with himself. The charges were brought by [redacted] and later dropped. There is enough evidence that the accusations were true that we feel that this man shouldn't be recognized as a leader in Scouting. He has put in an application for a member of a committee of a Catholic Church in Blue Springs, Missouri, and the Catholic Priest at this church has indicated that he does not want Mr. Macha registered in his unit.

Thank you very much for placing this man in your files.

Most sincerely,

Ebert H. May

Re: Ernest J. Macha

Dear Ebert:

Thank you for your letter of July 14 concerning Ernest J. Macha of the Kansas City Area Council. Although you indicate Mr. Macha has been registered in your council for three years, you did not state in what unit and in what capacity he was registered. We really need this information so that we can take the necessary steps to cancel his registration with the Boy Scouts of America.

We are enclosing a confidential record sheet which we would appreciate your filling out and returning to us, together with any substantiating documents or newspaper clippings that may be available regarding this situation. This will then enable us to identify Mr. Macha should he ever again attempt to register in the Scouting program.

Sincerely yours,
