TO WHOM IT MAY CONCERN:

This is to certify that Don Sullivan performed the act of mutual masturbation with my 15 year old son. My son voluntary informed me of this. Mr. Sullivan admitted same to me in the presence of Deputy Sheriff Ray Kennedy.

He is married to my sister-in-law who says that he has never had any sex relations with her. Our consultations with a Psycharitist resulted in a diagnosis of homosexuality.

Dear Basil,

Attached is a case report on another "Sad" case. This young man was program director in camp this summer and we are confident that his conduct there was above reproach - "foot slip" however

He did let his "foot slip" however in Bogalusa. The attached case report gives the essential facts of the story.

These types of problems leave us a bit sick at heart.

Regretfully,
