On August 11, 1965 Mrs. [redacted] advised us that her son, [redacted] 17 years of age, would meet me, Sgt. [redacted] at 6:00 P.M. and he would give me a statement in regards to the alleged above complaint. The following interviews were made with the subjects whose name appears below:

INTERVIEW #1.

[redacted] white male, age 17, date of birth March 14, 1948, address 207 Lazaree Ave., West Monroe, La. This subject, [redacted] is the son of the complainant, Mrs. [redacted]. At 6:00 P.M., August 11, 1965 I met [redacted] at the Standard Office Supply on St. John St. and brought him to the Ouachita Parish Court House to the interrogation room and this subject was interviewed and questioned in regards to some alleged homosexual acts and other indecent sexual acts that occurred between him and the suspect, Tommy Young.

In the interview with [redacted] he told me that on several occasions Tommy Young had played with his penis causing him to reach ejaculation and he, [redacted] had also played with Tommy Young's penis causing him to reach ejaculation. He also stated that Tommy Young had gotten him to put his mouth on his penis on one or two occasions and that on two occasions Tommy Young had got up on top of him and Tommy Young had put his penis into his rectum, and he had reached ejaculation on both occasions while having his penis in [redacted]'s rectum. [redacted] stated that both of these occasions occurred at Lake Bruin. However, [redacted] denies that Tommy Young has ever put his mouth on [redacted]'s penis. (For further details -- correction) Also [redacted] states that Tommy Young has carried beer, Vodka and Gin on some of the boy scout outings and he permitted some of the boys in the troop to drink some of the beer, also some of the Vodka and Gin with him which [redacted] included himself. (For further details see statement of [redacted])

INTERVIEW #2.

[redacted] white male, age 17, address 204 Lazaree Ave., West Monroe, Louisiana. On August 12, 1965 I called [redacted] 204 Lazaree Ave., West Monroe, La. and requested that she bring her son, [redacted] to the Court House so that he may be interviewed and questioned in regard to some of the homosexual acts and some of the other indecent sexual acts that had been occurring between him and some of the other teenage boys who live in the neighborhood.

Mrs. [redacted] brought her son, [redacted] to the Court House where I, [redacted] took [redacted] into the interrogation room and questioned him in regards to some of the alleged homosexual acts and other indecent sexual acts that had been going on in the neighborhood where he lived. [redacted] admits that he has been to the house of Tommy Young at 709 South 2nd St., Monroe, La. to watch color television with him, that he had been invited over there by Tommy Young and on one occasion in particular he mentions was the night of Sonny Liston fight. He states that Tommy Young showed him some hand drawn sketches of nude people committing or where they would be engaged in sexual acts, some homosexual drawings, some normal sexual acts and just some

August 13, 1965

plain pictures of nude women. [redacted] stated that these pictures were shown to him by Tommy Young more or less to arouse his passion and his sex drives and when these -- correction -- and when his passion was up he and Tommy Young played with each other's penis, both of them reaching ejaculation. [redacted] stated he did not know who drew these pictures but he thought they were possibly drawn by Tommy Young and he had ran several copies off of a stencilling machine. Upon further questioning [redacted] he admits of having also played with the penis of [redacted] white male, age 11, on several occasions and [redacted] had also played with [redacted] penis causing him to reach ejaculation each time. (For further details see statement of [redacted] which is part of this report.)

INTERVIEW #3. [redacted] white male, age 17, date of birth March 14, 1948. This subject is a brother to interview #1, [redacted] of which [redacted] and [redacted] are twins and who are sons of Mrs. [redacted]

On August 13, 1965 I went to the residence of the complainant, Mrs. [redacted], 207 Larabee St., West Monroe, La. and picked up [redacted] and [redacted] age 11, who is also the son of Mrs. [redacted] by her present marriage. After arriving at the Court House [redacted] was brought into the interrogation room and questioned in regards to any homosexual acts between him and Tommy Young. However, [redacted] denies that Tommy Young has ever tried to play with his penis, also denies that he has ever played with Tommy Young's penis and that at no time had Tommy Young ever made any sexual advances toward him, and he states probably the reason for this was that Tommy Young was probably afraid that [redacted] would tell on him. [redacted] does admit in his statement of having seen beer and other alcohol beverages in the possession of Tommy Young when they would be on some of the scout outings. [redacted] states he does not know of any of the boys who Tommy Young has messed with other than he mentions one subject, [redacted] who he states had told him that Tommy Young had made some sexual passes at him, but of his own knowledge he did not know this. (For further details see statement of [redacted] attached hereto.)

INTERVIEW #4. [redacted] white male, age 11, date of birth Dec. 30, 1953. [redacted] is also a son of Mrs. [redacted] by her present marriage. He is a half-brother to [redacted] and [redacted]

[redacted] was questioned also on Aug. 13, 1965 in regards to the complaint as mentioned above. He states that Tommy Young has never tried to play with him nor has ever asked him, [redacted] to play with him (Tommy Young). He does admit, however, of having been at the residence of [redacted] and [redacted] has taken his hand and played with his penis and he, [redacted] had also played with [redacted] penis. [redacted] said that each time he played with [redacted]'s penis some white stuff would come from the penis of [redacted]. In the statement [redacted] goes on to relate that these indecent

sexual acts between him and [redacted] have occurred on numerous occasions and on one occasion he put [redacted] penis in his mouth but just for a very short time and then took it out. (For further details see statement attached hereto of [redacted].)

INTERVIEW #5. [redacted], white male, age 16, date of birth April 9, 1949.

[redacted] states that he met Tommy Young approximately three years ago at which time he joined the Boy Scouts and that last year right at hunting season he had gone to a camp in Caldwell Parish belonging to Tommy Young and that was the first time that Tommy Young had made any advances toward him by taking [redacted], Jr.'s penis from his underwear while they were in bed and playing with him. [redacted] said that he told Tommy Young to stop which he did. Nothing else happened on that occasion. He stated that at the end of hunting season he, Tommy Young and another subject went down to the same camp in Caldwell Parish and that again Tommy Young started playing with his penis that night while they were in bed. He told him to stop and he quit awhile then he started back, pulled his underwear down and Tommy Young got him, [redacted] to play with his penis and both subjects playing with each other reached ejaculation. He states that these acts have gone on numerous times between him and Tommy Young, almost every time they would go off on a camping trip or be together that these acts would be committed between him and Tommy Young by playing with each other's penis causing each other to have ejaculation. [redacted] states that only one time has Tommy Young tried to put his penis into his mouth and he did put it into his mouth for a short period of time and then took it out. [redacted] has this past week from Aug. 8 until the night of Aug. 12th has been on Lake Bruin with Tommy Young; however, he states that Tommy Young has not made any sexual advances toward since they had been down on the Lake Bruin this week. He stated that the last time that Tommy Young played with his penis [redacted] played with Tommy Young's penis was last week of which he mentioned Thursday, Aug. 5th at which time they were in Caldwell Parish. He states at that time both he and Tommy Young played with each other's penis, both subjects reaching ejaculation. [redacted] denies at no time Tommy Young has ever put his mouth on his penis and tried to have a homosexual act with him. He states that Tommy Young has always tried to put his penis in [redacted]'s mouth, but instead they usually wound up by playing with each other's penis reaching ejaculation. [redacted] also states that he had drank beer with Tommy Young on several occasions on these outings and that also Tommy Young has carried Vodka and Gin with him on some of the Boy Scout outings and around some of the camps. [redacted] further admits that he has been to [redacted] correction -- has been invited over to Tommy Young's house to watch color television and Tommy Young has showed him some nude sketches, believed to have been drawn by hand, of naked women and also some pictures of women and men having sexual intercourse, also nude pictures of two men committing or engaged in homosexual acts. Q. Tommy, how many trips would you say that [REDACTED] has been with you down to Lake Bruin?

A. Oh ten to fifteen I imagine. Go down fishing and go down for week ends, but we didn't do it every time we was down there. We've been on numbers of camping trips and things together and hunting trips that that didn't occur every time. Just a few times.

Q. Each time you -- not every time but on some of these occasions when you were down there with [REDACTED] you would have this urge to have these masturbation with [REDACTED]?

A. Yes sir. Still don't know why though - just did - why the urge came on or anything else.

Q. You would play with his penis and in return he would play with you and your penis and you all would reach a climax as a results. Is that true?

A. That's right.

Q. How long has that been going on between you and [REDACTED]?

A. Not very long.

Q. Weeks, months.

A. Couple months I guess. About two months - six weeks - ten weeks - something like that.

Q. Do you recall back during a hunting season or deer season when [REDACTED] would go with you to another camp down in Caldwell Parish?

A. Yes sir.

Q. Would any of these masturbation acts be committed between you and [REDACTED] then?

A. No sir. I can't ...

Q. You don't recall ever making any approaches in that respect to [REDACTED] back during those hunting trips that you would make to

Caldwell Parish?

A. No sir not last year or the first of this year. I don't remember any.

Q. But you would say that they started some two or three months ago?
