Dear Paul,

Per our recent conversation regarding David M. McDonnell's resignation and our request that he be placed on the Confidential File of the Boy Scouts of America, the facts representing these actions are as follows.

At an Exploring activity that took place at Sayre Training Reservation of this council on February 6 and 7 of this year, Mr. McDonnell enticed three young male Explorers to his tent on the evening of the 6th to participate in the drinking of alcoholic beverages and to sleep overnight. Even though it was very cold that night, Mr. McDonnell encouraged the youths to remove their trousers and sleep in their underwear. The youths went to sleep. However, during the course of the night, one young man was awakened with Mr. McDonnell's mouth on his penis. The young man expressed obvious distain for Mr. McDonnell's actions and confided such to personnel at the camp. Mr. McDonnell subsequently left camp on Sunday morning, February 7th.

Mr. McDonnell telephoned Robert Pennie, the Field Director of this council and admitted his actions or wrong doing and indicated his need and desire to secure medical help. He also agreed, as a result of the situation, to discontinue his involvement as a volunteer with the Boy Scouts of America.

I reviewed the circumstances with our legal counsel on Monday, February 8th.

By coincidence, on February 8th, the young man that was approached was in the council office concerning other matters regarding his Scouting involvement. At that time, the Field Director talked with him about the incident that had taken place and informed him that Mr. McDonnell had resigned from Scouting. The young man had chosen not to discuss the matter with his parents, nor did he wish to pursue the issue further. Subsequently, on Friday morning, February 12, the Field Director and I met with Mr. McDonnell and secured from him, the signed statment that accompanied our request for him to be placed on the Confidential File.

I hope that this letter accurately reflects the facts of the unfortunate incident.

Sincerely,

Jack Billington
Scout Executive
