John Irvin Raynoard Blevins (WM), age 21  
401st Trans. Squadron  
England Air Force Base  
Alexandria, Louisiana

I, John Irvin Baynard Blevins, make the following statement of my own free will, without any threats or promises from anyone, to Det. Penny and Leo Michiels.

My first time with homosexual relationship was at the age of 11 in Princeton, West Virginia, when I was to go to work for a milk truck driver in which to deliver milk to a rural route. On my first day at work, after we had started on the route, the driver tried to get me to have homosexual action. That was the first and only time until I entered the Armed Service.

After I went in the service I was assigned at Foster Air Force Base, Victoria, Texas. Due upon my arrival at Foster, I was propositioned by another homosexual, which was a Staff Sergeant stationed on Foster Air Force Base, at the time of my arrival. He was the first person that I reported to, for signing in, when I first arrived at the Base. He invited me out for a couple of beers and upon the return trip to the base, he started fondling with my private parts, at which time I refused his proposition. This happened in 1957 around the 29th of July.

Around the 25th of September, 1958, I was again propositioned by a homosexual while attending a movie at the Rex Theatre in Alexandria, which after I departed the theatre, he followed me out and down the street to the bus stop. He ask me if I was waiting to go back to the base and I told him yes. He told me he would drive me to the base. Upon the trip to the base he started talking about homosexual acts, and fondling my private parts. Then after a few moments he actually did the act of fellatio, on my person.

The next time I had homosexual relations was with an old fellow in which again, I was waiting for a bus to the base, and he stopped and asked me if I were waiting for transportation to the base, and he said he would take me to the base. Upon the trip to the base he started fondling my personal parts, and committed the act of fellatio. This was the only time I was with him.

On the first part of August 1958 I started to acting as a assistant Scout Master with Troop 9 in Alexandria. After a few months [redacted] joined the troop. About five months after he joined the troop I then committed my first act of fellatio with [redacted]. The first time was the first part of this year 1960 after a Scout meeting when I invited [redacted] to come down the back alley to the shed in back of my house at 427 14th St. I then started fondling with his private parts and then committed my first act of fellatio on his person. Then two times afterwards I committed the act of fellatio on the person of [redacted]. The second time was about two months after the first time, after a scout meeting and I carried him in the alley in back of my house. The third time was after a Scout meeting about the last of May, then I committed my third act of fellatio. I carried [redacted] in my house and that covers the third time.

August 17, 1960  
Statement of John Irvin Raynard Blevins, continued

Then on the 15th of August, Monday night, after a Scout meeting I carried [REDACTED] to Camp Livingston and then committed my next act of fellatio. After the arrival at Camp Livingston I started fondling his private parts and after a while he started to crying. Then after I had fondled his personal parts he started fondling with mine. Then I took him home and returned home myself, and that's it I guess.

/s/ John I. R. Blevins

I would like to correct the last paragraph where I said that I committed my next act of fellatio, on the person of [REDACTED]. I meant to say that I had attempted to make an act of fellatio, but [REDACTED] wouldn't agree to it.

The terms Homosexual and Fellatio, have been explained to me by Detective Penny and I fully understand the meaning of them.

I have read the above statement and it is true and correct to the best of my knowledge.
